

The Rosette  
Fall 2011

Guitarist, our fall concert was a big success we had 10 performances that ranged from classical, latin, jazz, and folk. However, I thought the most exciting moment of the concert was the GSLV ensemble. We pulled it off! I would also like to share my excitement for the upcoming guitar events in Las Vegas. First, we have the Allegro Guitar Series at UNLV, which will be presenting Elena Papandreou, the Las Angeles Guitar Quartet, and Luis Zea. Second, the Smith Center will present the Assad Brothers with Yo-Yo Ma and the legendary Paco de Lucia. Third, the UNLV Chamber Orchestra will perform the Vivaldi Concerto in D Major with Ricardo Cobo. Last but not least that leaves us the GSLV we are the Las Vegas Yacht Club for guitarist that want to share music, play with others, and build lasting relationships. We are improving the community we live with gala performances and educational workshops. If you have not joined us come to the next meeting. - Greg
